THE IRON YARD   (10/15 - 01/16)

Front End Engineering

In this 3 month immersive coding bootcamp, I used the following languages and libraries to code complex projects. HTML5, CSS3, (Responsive design, Media Queries), JavaScript, JQuery, AJAX, GIT, Backbone, Mustache and React with Webpack. Projects were done both individually and in group collaborations.

Projects include the following technologies and can be seen on GitHub:

- Created layouts in HTML5
- Made CSS sites mocked from a JPG images
- Collected data from API's (JQuery, AJAX, JavaScript, Backbone, Mustache)
- Styled the collected API data (CSS3, Mustache)
- Used NPM installs and Webpack for React
- Used GIT for group collaborations

ONLINE CERTIFICATES / STUDY   (2013-2015)

Lynda.com, Code School

CSS for Developers, Foundations of Programming: Fundamentals, Photoshop CS6 Essential Training, Up And Running with Photoshop CS6, Illustrator CS6 Essential Training, Up And Running with Illustrator CS6, Creating A Responsive Design with Edge Reflow, UX Design Techniques: Ideation, Foundations of Typography: Hierarchy and Navigation, Design the Web: Getting CSS from Photoshop, Dreamweaver, InDesign, PowerPoint 2010 Power Shortcuts, PowerPoint for Mac 2011 Essential Training, Keynote '09 Essential Training. IATSE   (1994-Present)

Audio Engineer & Graphics Operator

Freelanced as a Audio Engineer and Graphics Operator for different companies since 1994 and had some house gigs in between. Employers include Freeman Audio/Visual, Encore Productions, PSS, LMG, PRG and In House Productions (Penn & Teller). Worked with producers and stage managers for the best possible shows.

AUDIO ENGINEER: Mixed various shows from theater productions, convention shows to pool parties using PM5D, LS-9, M7CL, Behinger X32, DM2000, Soundcraft and Midas audio consoles with VRX, Vertec and other misc speakers.

GRAPHICS OPERATOR: Edited and operated PowerPoint and Keynote presentations for general sessions on both Macintosh and Microsoft operating systems.

FULL SAIL UNIVERSITY   (12/91 - 01/93)

Recording Arts Specialized Associates Degree
